## 👤 Profile

Creative and detail-oriented Computer Animation and Visual Effects graduate, specialising in 2D and 3D animation and video editing, looking for career opportunities and new exciting challenges in motion graphics design within the graphic design industry.

## 💻 Technical Skills

Adobe Photoshop	●●●●●●
Adobe Premiere Pro	●●●●●●
Adobe After Effects	●●●●●●
Maya	●●●●●●
Blender	●●●●●●

## 🔗 Transferable Skills

- **Problem solving** – always tries to detect what caused the problem and successfully finds quick and effective solutions
- **Organization** – plans and organises time to meet deadlines, even when unexpected circumstances arise
- **Team work** – quickly finds own place and role in a team, listens and considers everyone's input, works on own assignment as well as helps other team members out if needed, takes initiative where necessary

## 🎓 Education

2019 – 2022

**BSc in Computer Animation and Visual Effects**

*University of Bedfordshire*

## 📁 Work Experience

- **Warehouse Operative** (Nov 2016 – Present)  
*80s Casual Classics, Bedford*  
Working both individually and in a team, ensuring the correct items are picked and despatched as per customer's order, organising and sorting stock in certain ways that improved workflow, training and assisting new employees.
